Dear Sarah and Cleveland Bat Group,

## **Tees Nature Conference 2018**

On behalf of the Tees Valley Nature Partnership and Your Tees Catchment Partnership I would like to take this opportunity to thank you for your presentation at our annual conference.

It was great to have your contribution and we wish you and your group all the very best for the future.

Overall, we had a fantastic response to the conference. The success is down to all the great contributions made by the partnership organisations and of course the enthusiastic participation.

We need to keep driving nature up the Tees Valley agenda and supporting our partnerships from going from strength to strength, so we look forward to your continued support.

Thank-you again for taking the time and effort to help inspire our Tees Nature Conference 2018.

Yours sincerely

Timothy Crawshaw  
Chair, Tees Valley Nature Partnership
